RESOLUTION COMMENDING SUPREME COURT JUSTICE NEIL GORSUCH'S APPOINTMENT TO THE SUPREME COURT

WHEREAS, During the campaign, President Donald Trump promised the American people the nomination of a mainstream conservative to the Supreme Court, assuring he would “appoint justices who like Justice Scalia, will protect our liberty with the highest regard for the Constitution;”

WHEREAS, After a difficult and hard won election, President Trump attributed his success in part to this promise and swiftly followed through with the nomination of Judge Neil Gorsuch two weeks after his inauguration;

WHEREAS, Thousands of people came together at events across the country to show their overwhelming support of the President’s agenda and his nomination of a Supreme Court Justice who will uphold the constitution on the bench of the highest court in the land;

WHEREAS, During a contentious confirmation process President Trump worked closely with Senate Republicans to ensure the swift confirmation of Judge Gorsuch, delivering the Supreme Court Bench that Americans wanted and deserved;

RESOLVED, The Republican National Committee commends the President’s dedication to deliver on his promise to nominate a mainstream conservative judge with sterling credentials and bipartisan support; and, be it finally

RESOLVED, The Members of the Republican National Committee highly commend the efforts of Senate Republicans to ensure the swift confirmation of Supreme Court Justice Neil Gorsuch.
